To

The Firms dealing in Railway Workshop Machinery.

Enquiry No. 2185.

RAILWAY INDENT NO. 1 OF 1936-37 FOR ADDITIONAL RAILWAY WORKSHOP MACHINERY.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

(1) The time within which you can supply each of the machinery described in the schedule should be clearly specified.

(2) The names of the manufacturers of the machinery to be offered should be furnished in each case. Descriptive catalogues of the machinery offered should also be furnished if available.

(3) The prices to be quoted should be for delivery f.o.r., Mysore South, based on Railway Material Certificate rates. If prices for delivery at other stations are given for any reasons the approximate railway freight payable at Railway Material Certificate rate from the place of delivery to destination should be furnished separately in the quotation.

(4) Payment for materials of German manufacture will be made in Reich Marks from out of the Mysore Government moneys in the Berlin Bank which represent the realizations on account of sale of Mysore products in Germany.

(5) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "quotations for Additional Machinery for the Railway Workshops" with the above enquiry Number.

This enquiry will be closed on the 24th May 1937.
